

Thank you for choosing The Barnyard. Here are your 2-hour party plans. We want you to be relaxed and have a wonderful time, however to insure that you get to do all that The Barnyard has to offer, please follow this schedule. If I forget to tell you the little red barn by the playground is the restrooms. Let me know if you have any questions. Kami

1st hour

Party side & playground (we do this first to reduce the risk of spreading animal germs, just in case someone forgets to wash their hands).

15 minutes- ALL guests (children & adults) must sign in to enter, kids will play on playground & parents can set up for party.

30 minutes- party time and presents, if you wish to open (if not the kids can have more time to play on playground which most prefer).

15 minutes- kids go back to playground, adults talk and clean up and take supplies to car. If you wish to leave a cooler next to the party favor table where the kids come out at the end to give them drinks on their way home, that is a great idea. No drinks are allowed in the petting area.

+++++
