Highly recommended tips for making the most of your barnyard experience.

1. Dress casually, with sturdy shoes that you won't mind getting a little dirty.
2. Save birthday gifts to open when you get home. You won't want to miss a minute of the fun our farm has to offer!
3. Bring your own fishing poles and bait for fishing in the pond.
4. Our ponies look forward to giving your children a ride, but they're little guys and can only carry a maximum of 90 pounds. Please inform children ahead of time if they exceed the weight limit to prevent their disappointment.
5. Time flies when you're having a blast—follow our party plan to ensure that your group makes the most of every minute!
6. We do not allow children to be dropped off. You must stay with your child or make arrangements to provide adequate supervision. The Barnyard personnel are unable to provide this supervision.
